Parker College of Business recognized for top degree programs in the U.S.

January 23, 2020

Georgia Southern University has been awarded top-ranking status for multiple degree programs by Intelligent.com, while the Parker College of Business has been recognized for four of its programs. Georgia Southern was listed among hundreds of other competing institutions across the nation. The student-focused comprehensive research guide is based on an assessment of 1,604 accredited colleges and universities. Each program is evaluated based on curriculum quality, graduation rate, reputation and post-graduate employment.

The 2020 Intelligent.com rankings are calculated through a unique scoring system which includes student engagement, potential return on investment and leading third-party evaluations. Intelligent.com analyzed hundreds of schools with comparable programs on a scale of 0 to 100, with Georgia Southern making it to the final list for 15 degree programs. The methodology uses an algorithm that collects and analyzes multiple rankings into one score to easily compare each university's degree program. Please visit the listed sources below to access each program's complete ranking.
